Central Ontario

Shorthorn Show & Sale

Saturday, June 3, 1972

MARKHAM FAIRGROUNDS,
MARKHAM, ONT.

4 BULLS — 45 FEMALES

- F O R E W O R D -

The 6th Annual Show and Sale of cattle by the Central Ontario Shorthorn Club brings to you the opportunity of selecting some good herd building prospects from some of the most progressive herds in Ontario.

In 5 short years this sale has established a reputation for cattle of quality at prices anyone can well afford if they are really serious about the cattle business.

The sale is held in co-operation with the Department of Agriculture under the Purebred Sales Assistance Policy and all animals are inspected by the sale committee as well as by a qualified veterinarian. This is your assurance of quality.

If you are not acquainted with the great merits of Shorthorn cattle both in the purebred and commercial field you should avail yourself of this opportunity. Over 30 breeds of the world's beef cattle carry Shorthorn blood and Shorthorns are possibly the favoured breed used for crossing on the exotic or European imports.

The time for action is NOW.

Be with us at Markham on June 3rd and do yourself and your herd a favour.

I was in Regina in February at Arthur Huber's, Lipton, Sask., where I saw 60 Premium daughters and I was really proud to have bred Gloriadale Premium and more than happy to get him back to produce heifers like this young May heifer. If you are looking for a show heifer and a great polled heifer see Gloriadale Royal Nonpareil. Her grandmother also produced the young bull Gloriadale Royal Cadet 2nd, selling at this same sale for \$800. to Allan Cook in 1970. Don't miss this great young heifer on Sale Day. We are reluctant to sell her but thought it would give everyone some idea of quality of Premium calves.
